GENERAL BREAKDOWN

PAINS, DIZZY SPELLS, HANDS AND FEET LIKE ICE.

Conditions Which Dr. Williams' Pink Pills, the Great Blood Tonic, Have Been Curing for Years.

There is no more perplexing trouble for a physician to treat than debility cases, especially in women, in which there is no acute disease but in which the patient every day sinks lower and lower despite changes of medicine and similar experiments.

That Dr. Williams' Pink Pills will restore health under these conditions is no speculation but the fact has been proved in hundreds of cases similar to that of Mrs. Sarah Ramsey, of 1008 St. John Street, Litchfield, Ill. She says:

"I never felt well after my first child was born. I had a gnawing pain in my stomach and could not hold any food down. My head ached a great deal and sometimes the pain went all through my body. I had dizzy spells so that I could not stand and seemed to be half blinded with pain. These spells would often last for over an hour. My blood seemed to be in a very poor condition and my hands and feet were like ice. I seemed to be growing weaker and weaker and could not get around to do my work in the house. I was extremely nervous and the least excitement would bring on a dizzy spell."

"For a number of years I was under a doctor's care but seemed to get no better. I had heard about Dr. Williams' Pink Pills and I began to take them. I soon felt better and gained in weight and strength. My nerves are strong now and I am a well woman in every way."

Dr. Williams' Pink Pills are a great discovery for suffering women. They are unequalled as a blood builder and tonic and have for years been curing anaemia, rheumatism, after-effects of the grip and fevers and such nervous diseases as neuralgia, nervous headaches, dizziness, St. Vitus' dance and even partial paralysis and locomotor ataxia.

Dr. Williams' Pink Pills are sold by all druggists or will be sent, post-paid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y. A booklet of valuable information, entitled "Plain Talks to Women," free to any woman interested.

MORE VOTES THAN VOTERS.

Peculiar Situation Disclosed in Claremont, N. H., License Contest.

Claremont, N. H., March 14.—It took until 2:30 yesterday morning to determine the result of the balloting at the annual town meeting.

The vote to see whether the town would require the maximum fee of \$1.00 for second class liquor licenses was taken by separate ballot, and when the box was opened there were found to be more ballots cast than was legal. Many of the votes for the high license fee were in bunches.

It took some time to straighten out the figures, which eventually showed in favor of high license by a majority of 418. While the sentiment of the town is manifestly for high license, those favoring a lower license affirm that the vote is illegal, and may apply to the courts for a recount.

I had for years suffered from what medical men called dyspepsia and catarrh of the stomach. In August I purchased a box of Cascarets and was surprised to find that I had "em-py-a-wiggling, em-py-a-wiggling" and that I was cured. I have since had no more trouble and I have enjoyed the best of health ever since. I feel that Cascarets will appeal to other sufferers. Chas. Blackstone, 1231 North Main St., Barre, Vt.

TO REPEAL
CRIMES ACT

Avowed Purpose of the British Government

COMMONS FAVORS IT

By a Great Majority—"Code of Tyrannical Laws," Says Birrell—Irish Secretary Also Promises Aid to Evicted Tenants.

London, March 15.—The House of Commons Wednesday night discussed the motion made by Michael H. Hogan, the member from Tipperary, in favor of repealing the Irish crimes act, which was carried by 252 votes to 83. The motion was strongly opposed by Unionist speakers. R. Cherry, attorney general for Ireland, said that he and the solicitor general for Ireland, R. Barry, unhesitatingly advised the government that it was far better to trust to the ordinary law than resort to the crimes act, which in many respects was unfair.

The chief secretary for Ireland, Augustine Birrell, who described the act as a "code of tyrannical laws," said that as far as the present government was concerned the act was dead and buried, and would be formally repealed at the earliest opportunity. The chief secretary announced that the government would unhesitatingly support Mr. Hogan's motion. He said also that the government had made many promises for the Irish people which it hoped to be able to carry out, and that he proposed after Easter to introduce a measure intended to associate the people of Ireland more closely with the administration. He hoped also to introduce a bill which would bring about the restoration of evicted tenants to their homes and which would give the power compulsorily to acquire the land necessary to this end.
